Other Information

Additional information about Melcor REIT (the REIT), including our annual information form and annual and quarterly reports, is available on SEDAR at www.sedar.com.

Forward-looking Statements

In order to provide our investors with an understanding of our current results and future prospects, our public communications often include written or verbal forward-looking statements.

Forward-looking statements are disclosures regarding possible events, conditions, or results of operations that are based on assumptions about future economic conditions, courses of action and include future-oriented financial information.

This Management Information Circular and other materials filed with the Canadian securities regulators contain statements that are forward-looking. These statements represent the REIT's intentions, plans, expectations, and beliefs and are based on our experience and our assessment of historical and future trends, and the application of key assumptions relating to future events and circumstances. Forward-looking statements may involve, but are not limited to, comments with respect to our strategic initiatives for 2017 and beyond, future leasing, acquisition and financing plans and objectives, targets, expectations of the real estate, financing and economic environments, our financial condition, or the results of or outlook for our operations.

By their nature, forward-looking statements require assumptions and involve risks and uncertainties related to the business and general economic environment, many beyond our control. There is significant risk that the predictions, forecasts, valuations, conclusions or projections we make will not prove to be accurate and that our actual results will be materially different from targets, expectations, estimates or intentions expressed in forward-looking statements. We caution readers of this document not to place undue reliance on forward-looking statements. Assumptions about the performance of the Canadian economy and how this performance will affect the REIT's business are material factors we consider in determining our forward-looking statements. For additional information regarding material risks and assumptions, please see the discussion "Business Environment & Risks" in our annual Management Discussion and Analysis (MD&A) for the year ended December 31, 2016, which is incorporated by reference.

Readers should carefully consider these factors, as well as other uncertainties and potential events, and the inherent uncertainty of forward-looking statements. Except as may be required by law, we do not undertake to update any forward-looking statement, whether written or oral, made by the REIT or on its behalf. In order to provide our investors with an understanding of our current results and future prospects, our public communications often include written or verbal forward-looking statements.

GENERAL INFORMATION

Meeting

This circular provides unitholders with information to help make voting decisions at the annual meeting (the meeting) of the REIT to be held on April 26, 2017.

Notice-and-Access

The REIT has elected to use notice-and-access rules which allow the REIT to post electronic versions of proxy-related materials online without mailing such documents directly to unitholders, provided that notice of such posting is sent to unitholders by mail.

All unitholders, except those who have previously requested to receive paper copies of the REIT's financial information, will receive only a notice-and-access notification and a voting instruction form. If you receive the notice and would like to receive a paper copy of our proxy-related materials, financial statements or MD&A, please follow the instructions under the heading *Requesting Paper Copies*.

All materials will be forwarded to unitholders at the REIT's expense.

We anticipate that notice-and-access will directly benefit the REIT through substantial reductions in postage and printing costs. We believe that notice-and-access is an environmentally responsible method of communicating with unitholders by reducing the large volume of paper documents generated by printing proxy-related materials.

Unitholders with questions about notice-and-access can contact:

Melcor REIT:	1-855-673-6931 (toll-free)
CST Trust Company:	1-800-387-0825 (toll-free)

Requesting Paper Copies

In order to receive a paper copy of the REIT's proxy-related materials, financial statements or MD&A, requests by unitholders may be made up to one year from the date the circular was filed on SEDAR. Please direct your request for materials to:

Melcor REIT

By Mail: Investor Relations
900, 10310 Jasper Avenue
Edmonton, Alberta T5J 1Y8

By Phone: 1-855-673-6931

By Fax: 780-426-1796

By Email: ir@melcorreit.ca

The REIT estimates that unitholder requests for paper copies of the circular, financial statements and MD&A will need to be received prior to April 12, 2017 in order to have sufficient time to receive and review the materials requested and return the completed form of proxy by the proxy deadline of April 24 at 10:00 AM MDT.

Registered and Beneficial Unitholders

You are a registered holder of REIT units if your units are held in your name and you have a trust unit certificate.

You are a beneficial holder of REIT units if your units are held in the name of a nominee such as a bank, trust company, securities broker, Trustee or other institution.

Where documents are stated to be available for review or inspection, such items will be shown upon request to a registered unitholder who produces proof of their identity.

FREQUENTLY ASKED QUESTIONS ABOUT THE MEETING

Who is soliciting my proxy?

The enclosed form of proxy is solicited by the REIT's management in order to vote your units as you instruct at the annual meeting of unitholders. We pay the cost of proxy solicitation for all registered and non-objecting beneficial unitholders. We do not pay for intermediaries to forward information to objecting beneficial owners (OBOs). OBOs will not receive proxy materials unless the OBOs intermediary assumes the cost of delivery.

To vote units you acquired after the record date, you must, not later than 10 days before the AGM:

- Request that your name be added to the voters' list; and
- Produce a properly endorsed unit certificate or otherwise establish that you own the units

How will my proxy be voted?

On your form of proxy, you may indicate how you wish your proxyholder to vote your trust units. Where you have specified a choice with respect to any matter to be acted upon, your units will be voted in accordance with the choice you have made.

How many units are entitled to vote?

The REIT has an authorized capital consisting of an unlimited number of units and an unlimited number of special voting units, each carrying the right to vote. As of the close of business on March 9, 2017, there were 11,151,297 units issued and outstanding and 14,615,878 special voting units were issued and outstanding (all such special voting units held by Melcor Developments through an affiliate).

How do I vote?

See Voting Instructions, page 10.

What is quorum for the meeting?

The REIT's Amended and Restated Declaration of Trust provides that a quorum for the transaction of business at any meeting of unitholders shall be at least two (2) persons present in person or represented by proxy, each being a unitholder entitled to vote or their appointed proxyholder, and representing in the aggregate no less than ten (10%) percent of the REIT's outstanding units carrying voting rights.

What if there are amendments or if other matters are brought before the meeting?

The enclosed form of proxy gives the persons named on it authority to use their discretion in voting on amendments or variations to matters identified in the notice.

As of the time of the printing of this circular, management is not aware of any other matter to be presented for action at the meeting.

Are there any principal unitholders?

To the best of the knowledge of the Trustees and officers of the REIT, and based on public filings as of March 9, 2017, no person or entity beneficially owns, directly or indirectly, or exercises control or direction over more than ten percent (10%) of the votes attached to all voting units, other than the following:

BUSINESS TO BE CONDUCTED AT THE MEETING

In the absence of proxy instructions, management proxyholders will vote for all matters outlined below.

1. RECEIVE FINANCIAL STATEMENTS

The REIT's audited consolidated financial statements for the year ended December 31, 2016 will be placed before the unitholders for their consideration. These audited consolidated financial statements have been reviewed and recommended for approval by the Audit Committee and approved by the full Board of Trustees. A copy of the audited consolidated financial statements is available on our website at www.melcorREIT.ca.

Unitholders are not required to vote on these audited consolidated financial statements.

2. FIX NUMBER OF TRUSTEES

We propose that the number of Trustees to be elected to the Board at the meeting be seven (7). Management intends to place before the meeting, for approval, with or without modification, a resolution fixing the number of Trustees to be elected at the meeting at seven (7).

*The Board recommends you vote **FOR** fixing the Trustees at 7*

3. ELECT TRUSTEES

You will elect 7 directors to serve on our Board until the close of the next annual meeting or until their successors are elected or appointed. You will find information about each Trustee nominee beginning on page 12. We, the Board and management of the REIT, believe the nominees are well qualified to serve as Trustees. All nominees have confirmed their eligibility and willingness to serve.

If for any reason any of the proposed nominees do not stand for election or are unable to serve as such, proxies in favour of management designees will be voted for another nominee at their discretion unless the unitholder has specified in his proxy that the units are to be withheld from voting in the election of Trustees.

*The Board recommends you vote **FOR** each nominated director*

MAJORITY VOTING POLICY

We have a majority voting policy. Any nominee in an uncontested election who receives more *withhold* votes than votes in his or her favour shall be considered to not have received the support of unitholders and is expected to immediately resign from the Board.

The majority voting policy does not apply to a contested election where the number of nominees exceeds the number of Trustees to be elected.

Nominees for election to the Board must agree to the policy before their names are recommended to unitholders.

In the event any Trustee fails to tender his or her resignation in accordance with the policy, the Board will not re-nominate the Trustee.

EMPLOYMENT EQUITY & DIVERSITY POLICY

Our employment equity and diversity policy applies to all positions at the REIT, including Trustee nominees. See Appendix E for our employment equity and diversity policy.

4. APPOINT AUDITORS

You will vote on appointing PricewaterhouseCoopers LLP, Chartered Accountants (PwC), as the REIT's auditors until the next meeting of unitholders and to authorize the Board to fix the auditors remuneration. PwC and its predecessor companies have been the REIT's auditors since the REIT became public on May 1, 2013.

The following table shows the fees we have paid to PwC in 2016 and 2015:

	2016	2015

All other fees ³	29,450	27,725
Total	215,600	218,075

1. Audit-related fees include quarterly reviews.
2. Tax fees include tax compliance services and tax advisory and planning services.
3. All other fees include services rendered for advice related to accounting policies.

Additional information regarding the REIT's Audit Committee (required in accordance with National Instrument 52-110 – “*Audit Committees*”) is contained in the REIT's annual information form dated March 9, 2017, under the heading “Audit Committee,” and a copy of the Terms of Reference of the Audit Committee is attached to the annual information form as Schedule “A.” The REIT's annual information form is available on SEDAR at www.sedar.com.

5. OTHER BUSINESS

Management does not intend to present any other business at the meeting and we are not aware of amendments to proposed matters or any other matters calling for your action.

Interest of Certain Persons in Matters To Be Acted Upon

Other than as set forth in this circular, none of the REIT's Trustees or senior officers, nor any person who has held such a position since the beginning of the REIT's most recently completed financial year, nor any proposed nominee for election as a Trustee, has any material interest, direct or indirect by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than the election of Trustees.

2. Represents the portion of bonus (paid by Melcor Developments) attributable to the estimated time spent on REIT activities
3. All compensation for Messrs. Rayburn and Chia and Ms. Stefura was paid by Melcor, and there was no reimbursement by the REIT. Mr. Rayburn and Ms. Stefura act, and Mr. Chia acted, in a variety of capacities for Melcor, the REIT and their respective affiliates, and accordingly, the total compensation that Mr. Rayburn and Ms. Stefura are expected to receive, and Mr. Chia received, from Melcor is not disclosed in this table, since total compensation will not solely be attributable to the services that such individuals will provide, or provided, to the REIT. The allocation of the total compensation disclosed in this table was determined by Melcor solely for the purposes of this table, based on the time estimated to have been spent by Messrs. Rayburn and Chia and Ms. Stefura in connection with REIT-related services (estimated to be 85%, 40% and 40% respectively).
4. Ms. Stefura was appointed Chief Financial Officer effective August 11, 2016. Prior to that she was Vice President, Finance. Compensation includes only compensation paid from the date Ms. Stefura was appointed CFO.
5. Mr. Chia resigned as Chief Financial Officer effective August 10, 2016.
6. On March 15, 2017 Melcor Developments Ltd. announced that its Board of directors appointed Mr. Rayburn as President and CEO effective April 15, 2017. On March 16, 2017 the REIT announced that it appointed Mr. Andrew Melton as President and CEO effective April 15, 2017.

Compensation Discussion and Analysis

The compensation of Melcor Developments is calculated in accordance with the Asset Management Agreement and the Property Management Agreement and is not subject to the general discretion of the Board. Accordingly, compensation received from Melcor Developments by persons provided by Melcor Developments, as officers of the REIT, is not within the discretion of the Board.

Compensation & Governance

The Corporate Governance & Compensation Committee (CGCC) consists of three Trustees, including Donald Lowry as Chair, Patrick Kirby and Ralph Young. Two of the three members of the CGCC committee are independent Trustees of the REIT. As noted above, because the Named Executive Officers are employed by Melcor Developments, rather than the REIT, the CGCC does not make recommendations for or participate in decisions regarding the compensation of the Named Executive Officers.

The REIT believes each member of the CGCC has direct experience relevant to his committee responsibilities.

CORPORATE GOVERNANCE & COMPENSATION COMMITTEE REPORT

DONALD LOWRY

PATRICK KIRBY

RALPH YOUNG

The Corporate Governance & Compensation Committee (CGCC) is responsible for assisting the Board in ensuring that the REIT's process and structure support the REIT's objectives and create unitholder value, and in measuring Board performance with respect to governance standards.

The primary mandate of the CGCC is to:

- Provide a focus on governance that will enhance the REIT's performance. The committee assesses and makes recommendations regarding Board effectiveness, establishes and leads the process for identifying, recruiting, appointing, re-appointing and providing ongoing development for Trustees and monitors their work performance, and
- Assist the Board in fulfilling its obligations relating to compensation and establishing a plan of continuity and development of senior management; and
- Establish policies and procedures designed to identify and mitigate risks associated with the REIT's compensation policies and practices.

At December 31, 2016, the members of the CGCC were Messrs. Lowry, Kirby and Young. Messrs. Lowry and Kirby are independent Trustees. Mr. Lowry serves as the Chair of the CGCC.

On April 15, 2017 as a result of the changes described on page 17 under the heading Subsequent Events, Mr. Young will step down from the committee and Mr. Larry Pollock will be appointed a member. The CGCC held two meetings in 2016, both of which included an *in camera* session without the presence of REIT management.

CGCC Approval

The CGCC has reviewed and discussed the compensation disclosure in this document, including information in the Board of Trustees section, the Executive Compensation section and the Trustee's Compensation section with the REIT's management. It has recommended that the disclosure be included in the circular.

On behalf of the Corporate Governance and Compensation Committee,

Donald Lowry (Chair)

Patrick Kirby

Ralph B. Young

STATEMENT OF GOVERNANCE PRACTICES

The REIT's Amended and Restated Declaration of Trust provides that, subject to certain conditions, the Trustees have full, absolute and exclusive power, control and authority over the REIT's assets, affairs and operations, to the same extent as if the Trustees were the sole and absolute legal and beneficial owners of the trust's assets. The governance practices, investment guidelines and operating policies of the REIT are overseen by a Board consisting of a minimum of three (3) and a maximum of twelve (12) Trustees, a majority of whom are (and must be) independent Trustees and a majority of whom (and a majority of independent Trustees) are (and must be) Canadian residents.

The mandate of the Board, which is discharged directly or through one of the three committees of the Board, is one of stewardship and oversight of the REIT and its business, and includes responsibility for strategic planning, review of operations, disclosure and communication policies, oversight of financial and other internal controls, corporate governance, Trustee orientation and education, senior management compensation and oversight, and Trustee compensation and assessment.

The standard of care and duties of the Trustees provided in the Amended and Restated Declaration of Trust is similar to those imposed on directors of a corporation governed by the *Business Corporations Act* (Alberta). Accordingly, each Trustee is required to exercise the powers and discharge the duties of his or her office honestly, in good faith and in the best interests of the REIT and the unitholders and, in connection therewith, to exercise the degree of care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances.

The Amended and Restated Declaration of Trust grants Melcor Developments the exclusive right to nominate a number of Trustees proportionate to Melcor Developments ownership interest in the REIT (on a fully diluted basis) provided that, so long as Melcor Developments owns at least a 10% ownership interest in the REIT (on a fully diluted basis), it shall have the right to nominate not less than one Trustee.

The REIT's Board of Trustees and management team recognize that effective corporate governance practices are fundamental to the long-term success of the REIT. As such, the Board of Trustees and management have implemented a series of governance policies and procedures to meet or exceed applicable Canadian stock exchange and regulatory rules. The Corporate Governance & Compensation Committee monitors regulatory changes and best practices and periodically reviews, evaluates and modifies corporate governance processes as necessary. The Board of Trustees and management are committed to maintaining a high level of corporate governance.

A description of the REIT's corporate governance practices under National Instrument 58-101, "*Disclosure of Corporate Governance Practices*", is provided in Schedule A. Further Appendix A, B and C contain: (i) the Mandate of the Board of Trustees; (ii) the Mandate of the Corporate Governance & Compensation Committee; and (ii) the Mandate of the Investment Committee. Further, the Mandate of the Audit Committee is contained in Exhibit A to the REIT's Annual Information Form dated March 9, 2017.

Corporate Governance Guideline	Comments
<i>Disclose whether the Board of Trustees has a nominating committee composed entirely of independent Trustees.</i>	The Corporate Governance & Compensation Committee is responsible for Trustee nominations. Two of the three members of the Corporate Governance & Compensation Committee are independent.
<i>If the Board of Trustees has a nominating committee, describe the responsibilities, powers and operation of the nominating committee.</i>	<p>The Corporate Governance & Compensation Committee is responsible for Trustee nominations.</p> <p>See Appendix B: Mandate of the Corporate Governance & Compensation Committee and the Report of the Corporate Governance & Compensation Committee on page 18 of this circular for additional information.</p>

<i>Describe the process by which the Board of Trustees determines the compensation for the issuer's Trustees and officers.</i>	The Named Executive Officers of the REIT are employed by Melcor Developments, rather than the REIT, and the committee does not make recommendations or participate in decisions regarding their compensation. However, should the REIT directly retain executive officers, the committee will be responsible for reviewing and approving their compensation, including general salary structure and short- and long-term incentive programs and bonuses. The committee also discusses personnel and human resource matters, including recruitment and management succession plans. Corporate Governance Guideline	Comments
Assessments	
<p><i>Disclose whether or not the Board of Trustees, its committees and individual Trustees are regularly assessed with respect to their effectiveness and contribution. If assessments are regularly conducted, describe the process used for the assessments.</i></p>	<p>The Corporate Governance & Compensation Committee has the responsibility for assessing the Board's effectiveness as a whole. A periodic self-assessment is conducted with the findings reported to the full Board.</p> <p>The assessment process examines the effectiveness of the Board as a whole and specifically reviews areas that the Board members believe could be improved to ensure the continued effectiveness of the Board in the execution of its responsibilities.</p> <p>An assessment of each individual Trustee is not performed.</p>
Trustee Term Limits and Other Mechanisms for Board Renewal	
<p><i>Disclose whether or not the issuer has adopted term limits for Trustees.</i></p>	<p>The Board is responsible for recommending candidates for election to unitholders from time to time that together contribute the right mix of skills and qualities to the Board. To assist in making those recommendations, the Board periodically conducts both formal and informal reviews of the effectiveness of the Board and individual Board members.</p> <p>The Board is concerned that imposing arbitrary and inflexible Trustee term limits may result in the REIT losing valued Trustees at a time when it most needs their skills, qualities and contributions, as well as their knowledge of the history and culture of the organization. Mandatory retirement ages pose the same risk and the Board does not want to risk the loss of key Trustees to retirement policies that seem unnecessarily arbitrary and inflexible when they force a high performing Trustee off the Board. Consequently the Board has not adopted term limits for its Trustees but rather relies on the experience of its members to determine when Board renewals, removals and additions are appropriate.</p>
Policies Regarding the Representation of Women on the Board	
<p><i>Disclose whether the issuer has adopted a written policy related to identifying and nominating women Trustees.</i></p>	<p>While the Board has not adopted a written policy relating to the identification and nomination of women Trustees, the REIT has adopted an Employment Equity and Diversity Policy (Appendix E), which recognizes employment equity and diversity as values that are important to the REIT. The Board evaluates potential nominees annually by reviewing the qualifications of prospective members and determines their relevance taking into consideration current Board composition and the anticipated skills required to round out the capabilities of the Board, including knowledge and diversity of membership.</p>
<p><i>Disclose whether, and if so, how, the Board nominating committee considers the level of representation of women on the Board when making in identifying and nominating candidates for election or reelection.</i></p>	<p>The Corporate Governance and Compensation Committee does not consider the level of representation of women on the Board in identifying and nominating candidates for election or re-election to the Board. The Board annually evaluates potential nominees by reviewing the qualifications of prospective members and determines their relevance, taking into consideration current Board composition and the anticipated skills required to round out the capabilities of the Board, including knowledge and diversity of membership. See Appendix E: Employment Equity and Diversity Policy</p>

Corporate Governance Guideline	Comments
<i>Disclose whether, and if so, how, the issuer considers the level of representation of women in executive officer positions when making executive officer appointments.</i>	The Board does not consider the level of representation of women in executive officer positions when making executive officer appointments. However, the REIT is committed to the fundamental principles of equal employment opportunities which are prescribed in its employment policies which further provide for the REIT's commitment to treating people, fairly, with respect and dignity, and to offering equal employment opportunities based upon an individual's qualifications and performance. Furthermore, the REIT's employment policies and procedures provide that candidates are selected based on the primary considerations of experience, skill and ability. See Appendix E: Employment Equity and Diversity Policy
<i>Disclose whether the issuer has adopted a target regarding women on the Board.</i>	The REIT has not adopted a target regarding women on its Board. APPENDIX E

EMPLOYMENT EQUITY & DIVERSITY POLICY

Introduction

This Employment Equity and Diversity Policy (the "Policy") sets out the approach to employment equity and diversity of Melcor Real Estate Investment Trust (the "Trust").

Scope and Application

"Employment equity" recognizes the value and dignity of each individual and ensures that each individual will have genuine, open and unhindered access to employment opportunities with the Trust. Employment equity involves hiring the most suitably qualified candidate for any open position while ensuring that the hiring process and the qualifications required for each position are fair and equitable for all persons.

"Diversity" involves recognizing and valuing the unique contribution people can make to the Trust because of their individual background, different skills, experiences and perspectives. The Trust also recognizes that diversity within the workforce will generate value for the Trust's stakeholders (including its customers, unitholders, employees, and the communities in which it operates). Fostering diversity also allows the Trust to attract, retain and motivate employees from the widest pool of available talent.

The Trust will take all appropriate steps to ensure that throughout the entire organization both a high standard of employment equity, and a culture accepting and encouraging of diversity, are maintained at all times.

Policy Statement

The Trust will retain, promote and hire the best people it can, focusing on actual and potential contribution in terms of their performance, competence, collaboration and professional accountability. Management will ensure that all employment-related decisions are based on principles of individual merit and achievement such as job performance, skills, knowledge, and abilities relevant to specific positions and not on factors unrelated to a person's performance or ability to do the job.

The Trust will foster an inclusive culture, accepting and encouraging of diversity within its workforce, and will not discriminate in its employment practices on the basis of gender, race, ethnicity, sexual orientation,

religion, age, disability, or any other characteristic protected by law. This includes all aspects of employment at every level within the Trust (i.e. - from the Board of Trustees (the "Board") level on down), including: hiring; job assignment; compensation; discipline; termination; access to benefits; and training. In order to garner the full benefits of diversity (including the availability of the widest pool of available talent), Management will periodically review the Trust's recruitment and selection practices at all levels (from the Board level on down) to ensure they are appropriately structured so that a diverse range of candidates are considered and that there are no conscious or unconscious biases that might discriminate against certain candidates.

Management will make reasonable accommodation for qualified individuals with known disabilities unless doing so would result in an undue hardship.

Management will lead this Employment Equity and Diversity Policy by regarding it as a key business issue and an essential part of the Trust's day to day business activities.

The Board will annually review (i) Management's report to the Board regarding the proportion of women in the Trust's workforce throughout the Trust's various offices and across its various employment levels; and (ii) this Employment Equity and Diversity Policy to determine if the objectives of the Policy are being met and to consider the adequacy and appropriateness of the Policy in furthering the Trust's objectives.

Any employee with questions or concerns about discrimination in the workplace is encouraged to bring these issues to the attention of their immediate Supervisor, the Trust's Human Resources department, or any senior officer of the Trust. Employees can raise concerns and make reports without fear of reprisal. It is also a violation of this Policy for anyone to knowingly make a false complaint of discrimination, or to provide false information about a complaint. Anyone found to be engaging in any type of unlawful discrimination will be subject to disciplinary action, up to and including termination of employment.

This Policy will be published on the Trust's website for public information purposes.
