
Annual Meeting for Melcor Real Estate Investment Trust Notice & Access Notification to Unitholders

You are receiving this notification because Melcor Real Estate Investment Trust (the REIT) uses the notice and access model for delivery of meeting materials to its unitholders. Under notice and access, unitholders receive a form of proxy enabling them to vote at the REIT's annual meeting (the Meeting). However, instead of a paper copy of the Management Information Circular (the Circular), unitholders receive this notice, which supplies instructions for accessing Meeting Materials electronically.

This will help reduce paper use and also reduce the cost of printing and mailing materials to unitholders.
